All of our dice are available in heat-sealed clamshell packages, each with hanging tabs and unique labels with SKUs and barcodes. Our sets of 15 dice are tailored for the most common RPGs such as Dungeon & Dragons, Pathfinder, and other D20 games. Each set of 15 contains: 3d4, 4d6, 2d8, 1d10, 1d%, 1d12, and 3d20. This combination is very useful for character generation and multi-dice attacks.
